Welcome to the **Monterey Plaza Hotel & Spa**, a European style hotel with dramatic views of Monterey Bay and the surrounding coastline.

The architecture blends early California and Mediterranean styles; it echoes elements of the old cannery design. Centrally located on Cannery Row, you can walk to shops and fine dining, visit the world-renowned Monterey Bay Aquarium, or take a stroll or bike ride on the adjacent coastline trail. And you'll have the unique opportunity to experience Monterey's protected marine sanctuary by launching a kayak into the bay from the hotel's beach. The spacious and elegantly furnished rooms include all the features and amenities you'd expect from a Five Star Diamond hotel. Watch frolicking sea otters from the wide outdoor patios, view room balconies or the rooftop full-service, European Spa and fitness center.

Within this serene setting, explore new advances in the field of Gastroenterology with distinguished colleagues from across the United States.
